Become a water protector
with Peasmarsh

Water Saving spot the difference

1. Using a water butt and watering can instead of a sprinkler.
2. Turning off the tap when brushing their teeth.
3. Only boiling what they need in the kettle.
4. Sharing a bath and not filling it to the top.
5. Using a hose attachment when washing the car.
6. Only running the washing machine with a full load.
